SIS 2026

## International Conference on Sustainable & Intelligent Systems

December 08–09, 2026 | Batna, Algeria

CALL FOR PAPERS

The International Conference on Sustainable and Intelligent Systems (SIS 2026) invites researchers, engineers, practitioners, and industry experts to submit original research papers that advance the state of the art in intelligent technologies and sustainability-driven system design.

SIS Conference will be organized into several specialized tracks, each addressing critical areas where sustainability and intelligence converge to drive impactful innovation.

- **Track 1.** Green & Intelligent Computing
- **Track 2.** Clean and Smart Energy Systems
- **Track 3.** Sustainable Electronics for Smart Hardware Systems
- **Track 4.** Sustainable Automation & Intelligent Control Systems

PUBLICATION OF PROCEEDING
Accepted and presented papers will be submitted for possible inclusion in IEEE Xplore, subject to meeting IEEE Xplore's scope and quality requirements.

PAPER SUBMISSION
Authors are requested to submit a paper in English (minimum of 04 pages; maximum of 06 pages in IEEE double column format).

If you have any problems submitting the paper, please contact: sis@hns-re2sd.dz

All papers must be submitted electronically through the conference submission system: (https://cmt3.research.microsoft.com/SIS2026)
